

Ocean View Presbyterian Church Sewing Circle

November 2014

Dear Ladies,

As we begin the month of November let us remember all the things we are grateful for. It is a good time to take stock of our many blessings.

Our jumble went very well in spite of the rainy day we had many attendees and made over \$1300.00 in a short amount of time. Thank you all.

We found this past Sunday that we have completed a third well in our Water4 Project. Just think what this will mean in the area where they will be placed. Overwhelming!

At the October Circle meeting Marge Schaefer was nominated to the represent the Circle on the Church Nominating Committee and Cathy Yantz will be the alternate.

Also at that meeting the following were asked to serve on the Circle Nominating Committee to find new officers for the 2015-2016 term. They are the following, Karen Colwill, Betsy Henifin, Jen Reed, and Amy Peoples. They will bring the slate of officers to the November meeting.

The first event of November that the Circle will participate in is the Fall Church Cleanup on Saturday, November 8. We will be providing snacks and lunch for the workers. Betsy is the coordinator for this day.

The November Coffee Hour will be November 9 right after church.

The Sewing Circle will meet Wednesday, November 12 at 12 noon. Come and join us, bring a sandwich or salad and refreshments will be provided by Jen Reed, Carole Trent, and Nancy Turner. Bev Bailey will lead the Bible Study lesson # 3," Covenants and God's Enduring Faithfulness."

During the church service on November 16 we will bring our Thank Offering boxes to church. Marlene would appreciate your turning the Thank Offering monies into checks or bills if possible.

Hope we will see each of you at the many activities of the Sewing Circle. There is always a place for you and you are needed.

Amy Peoples, co-moderator of Sewing Circle
